UKRAINIAN PRODUCTS TO
EVERYWHERE

USPA
fruit

About USPA fruit

USPA Fruit consolidates Ukrainian producers of apples to scale the volumes of supply offered to our customers. Considering the high level of fragmentation of apples producers across Ukraine, arranging the supplies of large quantities of such product becomes a complex challenge. Accumulating supplies from different orchards also requires an advanced quality control procedure to make sure that every shipment complies with its requirements..

OUR TEAM

USPA Fruit it is
selected premium
fruits from Ukraine
to the world
